Service Quality Standards and Consumer Protection Rules

The company complies with applicable service quality standards and consumer protections, including, without limitation: (1) reporting major service interruptions to the Missouri Public Service Commission (MOPSC) in a manner consistent with its requirements; (2) maintaining local service tariffs on file, giving notice of changes to such tariffs to the MOPSC, and making rate and service information available for public inspection at the company's offices and on the company's website; (3) clearly listing all charges and credits on customers' bills; (4) providing full and prompt investigation of, and response to, customer complaints in accordance with dispute resolution procedures established by the MOPSC; (5) providing access to enhanced 911 emergency report centers; (6) participating in a statewide system to assist the hearing impaired and providing service discounts for the deaf, hard of hearing, blind and visually impaired; (7) complying with federal CPNI rules and other applicable consumer privacy protection requirements, including training of employees that have access to CPNI on the rules and procedures for protecting account information and authenticating callers; and (8) implementing procedures that are consistent with the FTC's guidance on measures to detect/prevent identity theft (Red Flag).

In addition, the Company adheres to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3.

The Company furthermore will comply with all requirements set forth in the 2015 Open Internet Order when it becomes effective.

Response to Line 3010 – Milestone Certification (47 CFR §54.313(f)(1)(i))

Otelco Mid-Missouri LLC hereby certifies that throughout 2017, it took reasonable steps to provide upon reasonable request broadband service at actual speeds of at least 10 Mbps downstream/1 Mbps upstream, with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to comparable offerings in urban areas and that requests for such service are met within a reasonable amount of time. If a request for broadband service at actual speeds of at least 10 Mbps downstream/1 Mbps upstream is unreasonable, the Company offers broadband service at the highest available speed.
